

4-H Ag and Natural Resources
**SMALL BORE, MUZZLELOADING
STATE MATCHES**

Smallbore Rifle, Smallbore Pistol, Muzzleloading State Matches will be held on September 28th

at the Capital City Gun Club, 12200 NW 4th St, Topeka, KS 66615.

Day Check-In & Equipment Check

- Registration fees will be \$40 per discipline.
- You may make special requests, but they are not guaranteed.
- Participants must check in on time.
- Coaches will confirm teams at Check-In.
- Youth will confirm relay.
- Check-In will begin at 8:00 AM & 12:30 PM
- First relays begin shooting at 9:00 AM.
- Afternoon relays begin at 1:00 PM
- Concessions will be available this year.
- An awards ceremony will be held at the conclusion of the match after final scores are tabulated.
- Teams will be determined by score. Only County or District Teams are allowed. If a youth from a separate county shoots with a different program, their score will count toward the County where they are enrolled, unless the program is considered a District program.
- **TEAM DESIGNATIONS** All match teams will be automatically selected based on top aggregate scores shot at the state match event. 1. For County Extension units, there may only be one team from each county unit. 2. For Extension Districts, there may be as many teams as there are counties in the district if the participants are registered as a district. The team may consist of Junior and Senior Members.
- Ear protection may be required for spectators, please come prepared.
- The deadline for submitting applications for Archery, Muzzleloading, Shotgun, Hunting Skills, Small-Bore Pistol, and Small-Bore Rifle disciplines is October 19th. The link for additional information is: <https://www.kansas4-h.org/events-activities/conferences-events/shooting-sports/national-invitational/index.html>

Small Bore Pistol only:

After each relay – we will have an exhibition match for youth to shoot B2/B3 Orion Targets at 50 feet distances and provide feedback to the committees. We are considering simplifying the scoring and have the opportunity to use Orion to electronically score Small Bore Pistol.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Language access requests and reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language), may be requested by contacting the event contact **Chandra Plate** four weeks prior to the start of the event at **620-388-7157**. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.
